

# mk LibDispenser®

Uw 24/7 Bibliotheek!

## Benefits for your Patron:

- Convenient library extension in public high access areas such as train stations, airports, hospitals, malls, universities, etc.
- Uses familiar Online Catalog (OPAC) data from your ILS.
- Handles all types of library materials (books, CDs, DVDs, magazines, games).
- Checks items out and in. Returned items are immediately available for the next patron.
- Item identification and security via RFID.
- Library card identification via barcode, RFID (i.e. Mifare), magnetic strips.
- Simple and intuitive touch screen user-interface.
- Optional Fine and Fee Payment via debit/credit cards.
- The patron takes only the item, just like a normal library – No extra boxes or cases that need to be returned to the same location
- Can be configured to accept any library return item the same as other branches.

## Benefits for your Library:

- Provide library services to areas where a branch is reducing hours or adds additional capacity for space strapped branch.
- Affordable service alternative in neighborhoods that can't support a physical building.
- Base model maximum capacity of 796 dynamic horizontal storage positions. Actual capacity depends on the thickness per item.
- Expansion modules with 378 dynamic horizontal storage positions available for each unit.
- Smaller configuration available.
- Web-based monitoring and administrative software (mk LibManager).

## Available Options:

- Free-standing indoor or outdoor version.
- Indoor version with outdoor (through wall) retrieval station (check-in/check-out station).
- Separate browsing station(s), located beside the retrieval station or standalone browsing kiosk.
- Audio support.

## Technical Information:

- Base module for up to 796 storage positions.
- Each expansion module adds up to 378 storage positions.
- Maximum size of items per tray:  
320 x 220 x 90 mm  
12.6" x 8.66" x 3.5".
- Dynamically sizes item height and maps storage space accordingly
- **Base module:**
  - Indoor Unit: 2410 x 1210 x 2112 mm  
94.9" x 47.6" x 83.2"
  - Weight: 833 kg net  
1836 lbs net
  - Outdoor Unit: 2470 x 1295 x 2160 mm  
97.3" x 51" x 85.1"
  - Weight: 880 kg net  
1940 lbs net
- **Expansion module:**
  - Indoor Unit: 800 x 1210 x 2112 mm  
31.5" x 47.6" x 83.2"
  - Weight: 139 kg net  
306 lbs net
  - Outdoor Unit: 800 x 1295 x 2160 mm  
31.5" x 51" x 85.1"
  - Weight: 129 kg net  
284 lbs net
- Network requirements:
  - Ethernet RJ45
  - Power requirements:
    - 240V, 1 Phase, 16Amp, 50 Hz or
    - 120V, 1 Phase, 25Amp, 60 Hz
  - Communication to ILS via SIP2 or NCIP.
  - Standards Certifications: UL and CE.
  - RFID Frequency 13.56 MHz for items.
  - Uninterrupted Power Supply (UPS) included to protect against voltage swings or interruptions.
  - mk LibManager will be your standard supervisor software.

## Get a book in 3 steps...

1. Browse and select your item.
2. Scan your library card.
3. Get your item and enjoy.
